

**We Believe in Creating sustainable Value for
All Our Partners**

GTEX At a Glance

Investor Relations Presentation
April 2024

VALUES

We take great pride in our commitment to corporate social responsibility. We believe in giving back to the communities in which we operate by supporting various initiatives focused on education, healthcare, and environmental sustainability.

VISION

Dynamic investment holding company with a strong legacy of delivering value across multiple sectors. With a strategic approach to investments, a diverse portfolio, and an unwavering commitment to excellence, GTEX is poised for continued success in the years to come.

MISSION

Creating sustainable value for all our partners. We have developed a robust investment strategy that focuses on identifying opportunities with high growth potential while managing risks effectively.
